

Be A Part of the 2024 Carson City Murals & Music Festival

The Carson City Murals and Music Festival, Sept. 26-28, is asking for local building/business owners along with civic groups and individuals to help make this year's Festival bigger and better. Last year's event culminated in over \$250,000 worth of public art installed throughout Carson City. The majority of that worth came as in-kind donations from the artists for their time and talent. Your generous sponsorship will go directly to artist stipends.

This year we are honored to welcome Spanish artist Jabi Corte. (@jabi_corte) Jabi has created large-scale murals throughout Europe and is the founder of the Cantamañanas International Urban Art Festival in Pamplona, the longest running graffiti festival in Spain, producing 20 events. Jabi will be designing a site specific mural for the Carson City community and is excited to be coming to paint with the strong tie to the Basque culture he grew up in.

We are thrilled to have Dr. Chip Thomas (@jetsonorama) and Gregg Deal (@greggdeal) joining us for the second annual

3-day festival. They will join another dozen local and regional artists. Along with bringing beautiful art to public spaces, the event creates a collective identity and serves as a catalyst for continued revitalization and unity, crossing economic and social boundaries.

This event is a collaboration between the Brewery Arts Center, Visit Carson City and the (Nevada Arts Council). Funding is supplemented by generous donations from local businesses and individuals.
